This quarter-long program is offered every year to French and Spanish language students. The student’s classes at WUHS are aligned with those offered at Lycée Bagatelle and Institut Val d’Aran.
GRADING
WUHS’s grading and reporting system is standards-referenced and reflects students’ level of mastery of the knowledge and skills they are expected to learn within a given grade level or course. Course grades are comprised of both academic mastery (95%) and habits of work for learning (HOWLs) (5%). Course grades are reported as letter grades. Students must earn a C or higher to earn course credit.

GPA is reported using a 4 point scale. The GPA is weighted. Transfer grades, early college, dual enrollment, and Pass/Fail grades are not calculated in the GPA.
